KICK START: GETTING YEAR 8 NEW SCHOOL READY

Learn Spark are delighted to offer schools and colleges a range of engaging and interactive workshops for Year 8 students. The sessions will help them to get off on the right foot as they embark on their new learning adventure. Change can be difficult, but our workshops will help students feel prepared and confident for the challenges ahead!

The courses can be delivered ON-SITE or VIRTUALLY to any location.

WORKSHOPS

BIG SCHOOL READY

Students will explore:

- Preparing for the Challenge
- Building Resilience and Motivation
- Stress Busting and Wellbeing
- Creating Positive Energy
- Making the Right Lifestyle Choices

READY STEADY STUDY

Students will explore:

- Building the Ideal Study Space
- Effective Note-Taking
- Strengthening Memory and Recall
- Creating Visual Learning Aids
- Effectively Managing Time

Both workshops can be delivered as half or full day sessions, or grouped together to make a programme of development. Big School Ready can take place in Term One and Ready Steady Study can be delivered as a follow-up session.

Supporting schools and colleges since 2010

Prices available on request.

Let us know your specific requirements. Discounts available when booking multiple courses.
