STUDENT PEER MENTORING COURSES

Learn Spark are delighted to offer schools and colleges a range of engaging and interactive mentoring courses for Year 12 – 14 students. These courses will build their confidence and ability to support other students, and deepen their own and others' learning.

The courses can be delivered ON-SITE or VIRTUALLY to any location.

COURSES AVAILABLE

SUBJECT-BASED MENTORING

Training to enable students to support other students to develop their subject understanding and confidence.

Students will explore:

- What makes a good mentor?
- Connecting and building relationships.
- Moving through the learning process.
- Praise and encouragement.

PAIRED READING MENTORING

Specialist training for students to support other students to develop as readers.

Students will explore:

- What is Paired Reading?
- Skills, qualities and strategies of a Paired Reading mentor.
- Guiding the reading process.
- Praise and encouragement.

All courses can be delivered as half or full day sessions.

Supporting schools and colleges since 2010

Let us know your specific requirements and we can provide a price. Discounts are available when booking multiple courses.
