EDUCATION SEMINARS

Learn Spark Professional Development Seminars are open to Principals, Vice Principals, Senior/Middle Leaders, Teachers, Trainee Teachers and Governors to attend and will be held in locations across Northern Ireland. This year's seminars will explore **LEARNING AND TEACHING**, **LITERACY DEVELOPMENT**, **LEADERSHIP DEVELOPMENT**, **GOOD GOVERNANCE** and **APPLICATION AND INTERVIEW SKILLS**.

During the seminars our trainers will share their expertise and insights gained over years of experience working in the education sector. They will provide valuable information and opportunities for knowledge and skills development. The seminars also provide an opportunity for networking and sharing good practice, and every participant will receive hard and digital copies of all the resources and materials showcased.

For full details on each session visit our website: www.learnspark.co.uk/seminars. Numbers at each course will be limited to ensure maximum interaction and opportunity for discussion. To ensure your place, booking early is advisable.
